

Approach to AS Exams in Reformed Subjects at St Bede's College 2016-17

Our standard Lower Sixth offer in 2016-17 remained at four subjects with the majority, but by no means all, of our students following this path. The potential to sit AS examinations was offered in all of the reformed subjects bar History, Latin and Music, where it was felt that the co-teachability of the AS and A level qualifications was not ideal. In the other reformed subjects that we offered (all other A levels that we do apart from the unreformed Mathematics, Further Mathematics, Politics, Classical Civilisation and Geology) students chose whether to sit the external examination or an internal equivalent.
