## RECRUITMENT POLICY

St. Bede's College is a Catholic Independent Co-educational 3 – 18 Grammar School, founded in 1876 by Cardinal Vaughan, which endeavours to transmit the message of the Gospel rooted in the teachings of Jesus Christ.

St. Bede's College welcomes Catholic and non-Catholic pupils. Every pupil should experience educational excellence and exhibit values through the unique contribution each member makes to the rich diversity of the College community.

St. Bede's dedication to the pursuit of learning and his search for knowledge of the Lord is an inspiration to us all.

1

St Bede's College is committed to providing the best possible care and education to its pupils and to safeguarding and promoting the welfare of children and young people. The College is also committed to providing a supportive and flexible working environment to all its members of staff. The College recognises that, in order to achieve these aims, it is of fundamental importance to attract, recruit and retain staff of the highest calibre who share this commitment.

The aims of the College's recruitment policy are as follows:

- to ensure that the best possible staff are recruited on the basis of their merits, abilities and suitability for the position;
- to ensure that all job applicants are considered equally and consistently;
- to ensure that no job applicant is treated unfairly on any grounds including race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age;
- to ensure compliance with all relevant legislation, recommendations and guidance including the statutory guidance published by the Department for Education (**DfE**) "Safeguarding Children and safer Recruitment in Education" (**SCSRE**), "Keeping Children Safe in Education" *September 2016* (**KCSIE**) and any guidance or code of practice published by the Disclosure and Barring Service (**DBS**); and
- to ensure that the College meets its commitment to safeguarding and promoting the welfare of children and young people by carrying out all necessary pre-employment checks.

Employees involved in the recruitment and selection of staff are responsible for familiarising themselves with and complying with the provisions of this policy.

## 2 Recruitment and selection procedure

All applicants for employment will be required to complete an **application form** containing questions about their academic and employment history and their suitability for the role. Incomplete application forms will be returned to the applicant where the deadline for completed application forms has not passed. A curriculum vitae will not be accepted in place of the completed application form, other than from disabled applicants where this is specific to their needs.

Applicants will receive a job description and person specification for the role applied for. Application forms, job descriptions, person specifications and the College's Child Protection Policy are available to download from the College's website.

The applicant may then be invited to a formal interview at which his / her relevant skills and experience will be discussed in more detail.

If it is decided to make an offer of employment following the **formal interview**, any such offer will be conditional on the following:

- the agreement of a mutually acceptable start date and the signing of a contract incorporating the College's standard terms and conditions of employment;
- verification of the applicant's identity (where that has not previously been verified);
- the receipt of two references (one of which must be from the applicant's most recent employer) which the College considers to be satisfactory;
- for positions which involve "teaching work", information about whether the applicant has ever been referred to, or is the subject of a sanction, restriction or prohibition issued by, the National College for Teaching and Leadership (**NCTL**) which renders them unable or unsuitable to work at the School;
- for applicants who have carried out teaching work outside the UK, information about whether the applicant has ever been referred to, or is the subject of a sanction issued by, a regulator of the teaching profession in any other country which renders them unable or unsuitable to work at the School;
- where the position amounts to "regulated activity" (see section 4.3 below) the receipt of an enhanced disclosure from the DBS which the College considers to be satisfactory;
- where the position amounts to "regulated activity" (see 4.3 below) confirmation that the applicant is not named on the Children's Barred List;
- information about whether the applicant has ever been subject to a direction under section 142 of the Education Act 2002 which renders them unable or unsuitable to work at the College;
- for management positions, information about whether the applicant has ever been referred to the Department for Education, or is the subject of a direction under section 128 of the Education and Skills Act 2008 which renders them unable or unsuitable to work at the College;
- confirmation that the applicant is not disqualified from working in connection with early or later years provision (see section 4.4 below);
- verification of the applicant's medical fitness for the role (see section 3 below); and
- verification of the applicant's right to work in the UK;
- any further checks which the school decides are necessary as a result of the applicant having lived or worked outside of the UK; which may include an overseas criminal records check certificate of good conduct or professional references;

- verification of professional qualifications which the College deems a requirement for the post, or which the applicant otherwise cites in support of their application (where they have not been previously verified).

### 3 Medical fitness

The College is legally required to verify the medical fitness of anyone to be appointed to a post at the College, **after** an offer of employment has been made but **before** the appointment can be confirmed.

It is the College's practice that all applicants to whom an offer of employment is made must complete a Health Questionnaire. The College will arrange for the information contained in the Health Questionnaire to be reviewed by the College's medical advisor. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role i.e. proposed timetable, extra-curricular activities, layout of the College etc. If the College's medical advisor has any doubts about an applicant's fitness the College will consider reasonable adjustments in consultation with the applicant. The College may also seek a further medical opinion from a specialist or request that the applicant undertakes a full medical assessment.

Successful applicants will be required to sign a declaration of medical fitness confirming that there are no reasons, on grounds of mental or physical health, why they should not be able to discharge the responsibilities required by the role. If an applicant prefers to discuss this with the College instead, or to attend an occupational health assessment to consider their fitness for the role, they should contact the Headmaster so that appropriate arrangements can be made.

The College is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, obtaining medical evidence, considering reasonable adjustments and suitable alternative employment.

### 4 Pre-employment checks

In accordance with the recommendations set out in SCSRE, KCSIE and the requirements of the Education (Independent College Standards) Regulations 2014 the College carries out a number of pre-employment checks in respect of all prospective employees.

In addition to the checks set out below, the School reserves the right to obtain such formal or informal background information about an applicant as is reasonable in the circumstances to determine whether they are suitable to work at the School. This may include internet and social media searches.

In fulfilling its obligations the School does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age.

#### 4.1 Verification of identity and address

All applicants who are invited to an interview will be required to bring with them evidence of identity, right to work in the UK, address and qualifications as set out below and in the list of valid identity documents at Appendix 1 (these requirements comply with DBS identity checking guidelines):

- one document from Group 1; and
- two further documents from either of Group 1, Group 2a or Group 2b, one of which must verify the applicant's current address; and

- original documents confirming any educational and professional qualifications referred to in their application form.

Where an applicant claims to have changed his / her name by deed poll or any other means (e.g. marriage, adoption, statutory declaration) he / she will be required to provide documentary evidence of the change.

The College asks for the date of birth of all applicants (and proof of this) in accordance with the Guidance. Proof of date of birth is necessary so that the College may verify the identity of, and check for any unexplained discrepancies in the employment and education history of all applicants. The College does not discriminate on the grounds of age.

## 4.2 References

References will be taken up on short listed candidates prior to interview. Please note that no questions will be asked about health or medical fitness prior to any offer of employment being made.

All offers of employment will be subject to the receipt of a minimum of two references which are considered satisfactory by the College. One of the references must be from the applicant's current or most recent employer. If the current / most recent employment does / did not involve work with children, then the second reference should be from the employer with whom the applicant most recently worked with children. Neither referee should be a relative or someone known to the applicant solely as a friend.

All referees will be asked whether they believe the applicant is suitable for the job for which they have applied and whether they have any reason to believe that the applicant is unsuitable to work with children. All referees will be sent a copy of the job description and person specification for the role for which the applicant has applied. If the referee is a current or previous employer, they will also be asked to confirm the following:

- the applicant's dates of employment, salary, job title / duties, reason for leaving, performance, sickness\* and disciplinary record;
- whether the applicant has ever been the subject of disciplinary procedures involving issues related to the safety and welfare of children (including any in which the disciplinary sanction has expired), except where the issues were deemed to have resulted from allegations which were found to be false, unsubstantiated or malicious; and
- whether any allegations or concerns have been raised about the applicant that relate to the safety and welfare of children or young people or behaviour towards children or young people, except where the allegation or concerns were found to be false, unsubstantiated, or malicious.

(\*questions about health or sickness records will only be included in reference requests sent out after the offer of employment has been made.)

The College will only accept references obtained directly from the referee and it will not rely on references or testimonials provided by the applicant or on open references or testimonials.

The College will compare all references with any information given on the application form. Any discrepancies or inconsistencies in the information will be taken up with the applicant and the relevant referee before any appointment is confirmed.

### 4.3 Criminal records check

**Due to the nature of the work, the College applies for an enhanced disclosure from the DBS in respect of all prospective staff members, governors and volunteers involved in regulated activity.**

Prior to 29 May 2013 an enhanced disclosure contained details of all convictions on record (including those which are defined as "spent" under the Rehabilitation of Offenders Act 1974) together with details of any cautions, reprimands or warnings held on the Police National Computer. It could also contain non-conviction information from local police records which a chief police officer considered relevant to the role applied for at the College.

As of 29 May 2013 the DBS commenced the filtering and removal of certain specified information relating to old and minor criminal offences from all criminal records disclosures. The DBS and the Home Office have developed a set of filtering rules relating to spent convictions which work as follows:

#### **For those aged 18 or over at the time of an offence**

An adult conviction will be removed from a DBS disclosure if:

- eleven years have elapsed since the date of conviction;
- it is the person's only offence; and
- it did not result in a custodial sentence.

It will not be removed under any circumstances if it appears on a list of "**specified offences**" which must always be disclosed. If a person has more than one offence on their criminal record, then details of all their convictions will always be included.

A caution received when a person was aged 18 or over will not be disclosed if six years have elapsed since the date it was issued, and if it does not appear on the list of "specified offences".

#### **For those aged under 18 at the time of an offence**

A conviction will be removed from a DBS disclosure if:

- five and a half years have elapsed since the date of conviction; and
- it is the person's only offence; and
- it did not result in a custodial sentence.

Again, the conviction will not be removed under any circumstances if it appears on the list of "specified offences", or if a person has more than one offence on their criminal record.

A caution received when a person was aged under 18 will not be disclosed if two years have elapsed since the date it was issued, and if it does not appear on the list of "specified offences".

#### **The list of "specified offences" which must always be disclosed**

This contains a large number of offences, which includes certain sexual, violent and other offences that are considered so serious they will always be disclosed, regardless of when they took place or of the person's previous or subsequent criminal record. The list of "specified offences" can be found at:

<https://www.gov.uk/government/publications/dbs-list-of-offences-that-will-never-be-filtered-from-a-criminal-record-check>

The College applies for an enhanced disclosure from the DBS and a check of the Children's Barred List (now known as an Enhanced Check for Regulated Activity) in respect of all positions at the College which amount to "regulated activity" as defined in the Safeguarding Vulnerable Groups Act 2006 (as amended). The purpose of carrying out an Enhanced Check for Regulated Activity is to identify whether an applicant is barred from working with children by inclusion on the Children's Barred List and to obtain other relevant suitability information. Any position undertaken at, or on behalf of, the College (whether paid or unpaid), will amount to "regulated activity" if it is carried out:

- frequently, meaning once a week or more; or
- overnight, meaning between 2.00 am and 6.00 am; or
- satisfies the "period condition", meaning four times or more in a 30 day period; and
- provides the opportunity for contact with children.

It is for the College to decide whether a role amounts to "regulated activity" taking into account all the relevant circumstances. However, nearly all posts at the College amount to regulated activity. It is the College's policy to carry out both an enhanced DBS check and a check of the Children's Barred List on all applicants who are appointed to work in regulated activity. Limited exceptions could include an administrative post undertaken on a temporary basis in the College office outside of term time.

The DBS now issues a DBS disclosure certificate to the subject of the check only, rather than to the College. It is a condition of employment with the College that the **original** disclosure certificate is provided to the College within two weeks of it being received by the applicant. Original certificates should not be sent by post. Applicants must instead bring the original certificate into the College within two weeks of it being received. A convenient time and date for doing so should be arranged with Headmaster's PA as soon as the certificate has been received.

If there is a delay in receiving a DBS disclosure the Headmaster has discretion to allow an individual to begin work pending receipt of the disclosure. This will only be allowed if all other checks, including a clear check of the Children's Barred List (where the position amounts to regulated activity), have been completed and once appropriate supervision has been put in place.

DBS checks will still be requested for applicants with recent periods of overseas residence and those with little or no previous UK residence. These applicants may also be asked to provide further information, including a criminal records check from the relevant jurisdiction(s) a certificate of good conduct and/or references from any employment held. Work can only commence once the overseas information has been received and only if the School has considered that information and confirmed that the applicant is suitable to commence work at the School.

#### 4.4 **Prohibition from teaching check**

The School is required to check whether staff who carry out "teaching work" are prohibited from doing so. The School uses the NCTL Teacher Services system to check whether successful applicants are the subject of a prohibition, or interim prohibition order issued by a professional conduct panel on behalf of the NCTL.

In addition the School asks all applicants for roles which involve "teaching work" (and their referees) to declare in the application form whether they have ever been referred to, or are the subject of a sanction, restriction or prohibition issued by, the NCTL or other equivalent body in the UK.

It is the School's position that this information must be provided in order to fully assess the suitability of an applicant for a role which involves "teaching work". Where an applicant is not currently prohibited from teaching but has been the subject of a referral to, or hearing

before, the NCTL (or other equivalent body) whether or not that resulted in the imposition of a sanction, or where a sanction has lapsed or been lifted, the School will consider whether the facts of the case render the applicant unsuitable to work at the School.

The School carries out this check, and requires associated information, for roles which involve "teaching work". In doing so the School applies the definition of "teaching work" set out in the Teachers' Disciplinary (England) Regulations 2012 which states that the following activities amount to "teaching work":

- planning and preparing lessons and courses for pupils;
- delivering lessons to pupils;
- assessing the development, progress and attainment of pupils; and
- reporting on the development, progress and attainment of pupils.

The above activities do not amount to "teaching work" if they are supervised by a qualified teacher or other person nominated by the Head. If in any doubt or if the applicant has taught previously, or may teach in future, the check will be undertaken, including for sports coaches.

In addition, for all appointments made on or after 18 January 2016, where an applicant has carried out teaching work outside of the UK the School will ask the applicant (and their referees) whether they have ever been referred to, or are the subject of a sanction issued by, a regulator of the teaching profession in the countries in which they have carried out teaching work. This will include checking for the existence of any sanctions issued by regulators of the teaching profession in other EEA countries using the NCTL Teacher Services system.

#### 4.5 **Prohibition from management check**

The School is required to check whether any applicant for a management position is subject to a direction under section 128 of the Education and Skills Act 2008 which prohibits, disqualifies or restricts them from being involved in the management of an independent school (a **section 128 direction**).

This check applies to appointments to the following positions made on or after 12 August 2015:

- Head;
- teaching posts on the senior leadership team;
- teaching posts which carry a departmental head role; and
- support staff posts on the senior leadership team.

It also applies to appointments to the governing body.

The relevant information is contained in the enhanced DBS disclosure certificate (which the School obtains for all posts at the School that amount to regulated activity). It can also be obtained through the NCTL Teacher Services system. The School will use either, or both, methods to obtain this information.

In addition the School asks all applicants for management roles to declare in the application form whether they have ever been the subject of a referral to the Department for Education, or are subject to a section 128 direction or any other sanction which prohibits, disqualifies or restricts them from being involved in the management of an independent school.

It is the School's position that in order to fully assess the suitability of an applicant for a management role it must be provided with the above information. Where an applicant is not currently prohibited from management but has been the subject of a referral to, or hearing before, the Department for Education or other appropriate body whether that resulted in the imposition of a section 128 direction or other sanction, or where a section 128 direction or other sanction has lapsed or been lifted, the School will consider whether the facts of the case render the applicant unsuitable to work at the School.

### **Childcare disqualification requirements**

The Childcare Act 2006 (the Act) and the Childcare (Disqualification) Regulation 2009 the Regulations state that it is an offence for the School to employ anyone in connection with our early years or later years provisions with children up to the age of eight who is disqualified. This applies to normal School activities and any before or after School clubs or activities. It is also a criminal offence for a disqualified person to provide early or later years provision or to be directly concerned in its management.

The criteria for which a person will be disqualified from working in connection with early or later years provision are set out in the Regulations. They are not only that a person is barred from working with children (by inclusion on the Children's Barred List) but also include:

- having been cautioned for, or convicted of, certain criminal offences including violent and sexual criminal offences against children and adults;
- various grounds relating to the care of children, including where an order is made in respect of a child under the person's care;
- having had registration refused or cancelled in relation to childcare or children's homes;
- having been disqualified from private fostering; or
- living in the same household as another person who is disqualified from registration for early or later years provision, or living in a household where a disqualified person is employed (disqualification by association). A person does not, however, commit an offence if they do not know, or have no reasonable grounds for believing, that they live in the same household as a disqualified person, or in a household where a disqualified person is employed. Initial advice from the DfE is that a household will be deemed as anyone sharing "living space", including the use of a shared kitchen. The responsibility on individuals is to provide the College with information about people in their household "to the best of their knowledge". This means that a person who lives in a shared house, renting with others, will not be expected to request this information from those with whom they are not overly familiar.

As a College we take pride in the pastoral care we provide and we consider it necessary that all staff are available to support all of our children. The College, therefore, asks all job applicants who are invited for interview to complete a Self-Declaration Form confirming whether they meet any of the criteria for disqualification. The College will consider any information disclosed before deciding whether to proceed with an interview. The College reserves the right to reject the application of any person who is disqualified from working in connection with early or later years provision. An interview will not proceed if the College has not received a completed Self-Declaration Form in advance.

After making this declaration staff are under an on-going duty to inform the College if their circumstances change in a way which would mean they subsequently meet any of the criteria for disqualification. Any failure to disclose relevant information now, or a future change in circumstances, will be treated as a serious disciplinary matter and may lead to the withdrawal of a job offer or dismissal for gross misconduct.

Applicants who have any criminal records information to disclose about themselves, or anyone in their household, must also provide the following information:

- details of the order, restriction, conviction or caution and the date that this was made;
- the relevant court or body and the sentence, if any, which was imposed, and
- a copy of the relevant order or conviction.

A person who discloses information which appears to disqualify them from working in early or later years provision may apply to Ofsted for a waiver of the disqualification. However, the College cannot appoint any person who is currently disqualified.

## **5 Contractors and agency staff**

Contractors engaged by the School must complete the same checks for their employees that the School is required to complete for its staff. The School requires confirmation that these checks have been completed before employees of the Contractor can commence work at the School.

Agencies who supply staff to the School must also complete the pre-employment checks which the School would otherwise complete for its staff. Again, the School requires confirmation that these checks have been completed before an individual can commence work at the School.

The School will independently verify the identity of staff supplied by contractors or an agency in accordance with section 4.1 above and will require the provision of the original DBS disclosure certificate before contractor or agency staff can commence work at the School.

## **6 Volunteers**

The School will request an enhanced DBS disclosure and Children's Barred List information on all volunteers undertaking regulated activity with pupils at or on behalf of the School (the definition of regulated activity set out in section 4.3 above will be applied to all volunteers).

The School will request an enhanced DBS disclosure without Children's Barred List information on all volunteers who do not undertake regulated activity. This is likely to be because their volunteering duties are subject to regular, day to day supervision by a fully checked member of staff or by a volunteer who the School has deemed appropriate to supervise and ensure the safety of those pupils in their care.

Under no circumstances will the School permit an unchecked volunteer to have unsupervised contact with pupils.

It is the School's policy that a new DBS certificate is required for volunteers who will engage in regulated activity but who have not been involved in any activities with the School for three consecutive months or more. Those volunteers who are likely to be involved in activities with the School on a regular basis may be required to sign up to the DBS update service as this permits the School to obtain up to date criminal records information without delay prior to each new activity in which a volunteer participates.

In addition the School will seek to obtain such further suitability information about a volunteer as it considers appropriate in the circumstances. This may include (but is not limited to the following):

- formal or informal information provided by staff, parents and other volunteers;
- character references from the volunteer's place of work or any other relevant source; and
- an informal safer recruitment interview.

## **7 Visiting speakers and the Prevent Duty**

The Prevent Duty Guidance requires the School to have clear protocols for ensuring that any visiting speakers, whether invited by staff or by pupils, are suitable and appropriately supervised.

The School is not permitted to obtain a DBS disclosure or Children's Barred List information on any visiting speaker who does not engage in regulated activity at the School or perform any other regular duties for or on behalf of the School.

All visiting speakers will be subject to the School's Visitors Policy. This will include signing in and out at Reception, the wearing of a visitors badge at all times and being escorted by a fully vetted member of staff between appointments.

The School will also obtain such formal or informal background information about a visiting speaker as is reasonable in the circumstances to decide whether to invite and / or permit a speaker to attend the School. In doing so the School will always have regard to the Visitors Policy, the Prevent Duty Guidance and the definition of "extremism" set out in KCSIE which states:

*"Extremism" is vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas. Terrorist groups very often draw on extremist ideas developed by extremist organisations."*

In fulfilling its Prevent Duty obligations the School does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age.

The School reserves the right to obtain such information on any other person appointed to work for or at the School.

## **8 Policy on recruitment of ex-offenders**

### **8.1 Background**

The School will not unfairly discriminate against any applicant for employment on the basis of conviction or other details disclosed. The School makes appointment decisions on the basis of merit and ability. If an applicant has a criminal record this will not automatically bar them from employment with the School. Each case will be decided on its merits in accordance with the objective assessment criteria set out in paragraph 8.2 below.

All positions within the School are exempt from the provisions of the Rehabilitation of Offenders Act 1974. All applicants must therefore declare all previous convictions and cautions, including those which would normally be considered "spent" except those received for an offence committed in the United Kingdom if it has been filtered in accordance with the DBS filtering rules (see section 4.3 above).

A failure to disclose a previous conviction (which should be declared) may lead to an application being rejected or, if the failure to disclose is discovered after employment has started, may lead to summary dismissal on the grounds of gross misconduct. A failure to disclose a previous conviction may also amount to a criminal offence.

It is unlawful for the School to employ anyone who is barred from working with children. It is a criminal offence for any person who is barred from working with children to apply for a position at the School. The School will make a report to the Police and / or the DBS if:

- it receives an application from a barred person;
- it is provided with false information in, or in support of an applicant's application; or
- it has serious concerns about an applicant's suitability to work with children.

## 8.2 Assessment criteria

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question;
- the seriousness of any offence or other matter revealed;
- the length of time since the offence or other matter occurred;
- whether the applicant has a pattern of offending behaviour or other relevant matters;
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters; and
- the circumstances surrounding the offence and the explanation(s) offered by the applicant.

If the post involves regular contact with children, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of any the following offences:

- murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence; or
- serious class A drug related offences, robbery, burglary, theft, deception or fraud.

If the post involves access to money or budget responsibility, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception or fraud.

If the post involves some driving responsibilities, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted of drink driving within the last ten years.

## 8.3 Assessment procedure

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will carry out a risk assessment by reference to the criteria set out above. The assessment form must be signed by the Headmaster of the School before a position is offered or confirmed.

If an applicant wishes to dispute any information contained in a disclosure, they may do so by contacting the DBS. In cases where the applicant would otherwise be offered a position were it not for the disputed information, the School may, where practicable and at its discretion, defer a final decision about the appointment until the applicant has had a reasonable opportunity to challenge the disclosure information.

#### **8.4 Retention and security of disclosure information**

The School's policy is to observe the guidance issued or supported by the DBS on the use of disclosure information.

In particular, the School will:

- store disclosure information and other confidential documents issued by the DBS in locked, non-portable storage containers, access to which will be restricted to members of the School's senior management team;
- not retain disclosure information or any associated correspondence for longer than is necessary, and for a maximum of six months. The School will keep a record of the date of a disclosure, the name of the subject, the type of disclosure, the position in question, the unique number issued by the DBS and the recruitment decision taken;
- ensure that any disclosure information is destroyed by suitably secure means such as shredding; and
- prohibit the photocopying or scanning of any disclosure information without the express permission of the individual to whom the disclosure relates.

#### **9 Retention of records**

The School is legally required to undertake the above pre-employment checks. Therefore, if an applicant is successful in their application, the School will retain on their personnel file any relevant information provided as part of the application process. This will include copies of documents used to verify identity, right to work in the UK, medical fitness and qualifications. Medical information may be used to help the School to discharge its obligations as an employer e.g. so that the School may consider reasonable adjustments if an employee suffers from a disability or to assist with any other workplace issue.

This documentation will be retained by the School for the duration of the successful applicant's employment with the School. It will be retained in accordance with the School's retention of records policy- 10 years after employment terminates.

If the application is unsuccessful, all documentation relating to the application will normally be confidentially destroyed after six months.

The same policy applies to any suitability information obtained about volunteers involved with School activities.

#### **10 Whistleblowing and exit interviews**

All staff are trained so that they understand they are expected and encouraged to raise concerns they have, whether related to the safeguarding and welfare of pupils, the conduct of staff or other matters, during the course of their employment in accordance with the School's policies (including the Whistleblowing Policy, the Safeguarding Policy and the Staff Code of Conduct). Safeguarding children is at the centre of the School's culture and is accordingly considered formally during staff performance development reviews and appraisal and finally at an exit interview which are held with all leavers.

#### **11 Referrals to the DBS and National College for Teaching and Leadership (NCTL)**

This policy is primarily concerned with the promotion of safer recruitment and details the pre-employment checks that will be undertaken prior to employment being confirmed. Whilst these are

pre-employment checks the College also has a legal duty to make a referral to the DBS in circumstances where an individual:-

- Has applied for a position at the School despite being barred from working with children; or
- Has been removed by the College from working in regulated activity (whether paid or unpaid), or has resigned prior to being removed, because they have harmed, or pose a risk of harm to, a child.

If the individual referred to the DBS is a teacher, the School may also decide to make a referral to the NCTL.

## 12 Queries

If an applicant has any queries on how to complete the application form or any other matter he / she should contact the Bursar / Headmaster.
