

BUS SERVICE REQUEST FORM 2019/20

Due to the limited number of seats available it is essential that the College puts on the right sized buses in order to match demand. I am therefore asking all parents to complete this Request Form and confirm what days you wish your child / children to use the service. This information will be used to assign your child / children to routes and bus stops to enable the roll out of the SchoolSafe App and ensure accurate billing.

I would like my child/children to use the school bus for the 2019/20 academic year. Please also indicate if your child has already been issued with a bus pass.
